

AMERICAN MATERIAL HANDLING, INC.

CAPABILITY STATEMENT

American Material Handling, Inc. (AMH) supplies “Best Value” equipment and vehicles to Federal Government agencies. AMH is a Small Business that holds Federal Supply Contracts with GSA and DLA and various state Supply Contracts.

AMH delivers commercial-off-the-shelf (COTS) equipment and customized / militarized equipment to fulfill the specific needs of our customers. Our product offerings include ***material handling equipment, construction equipment, trucks and trailers***. We are skilled at aligning the needs of Government customers with the “Best Value” equipment from a wide range of manufacturers.

AMH has consistently grown since 1991 to become an integral provider of equipment and vehicles to the Federal Government both domestically and internationally. AMH also provides logistics services, technical expertise and parts support for our Military across the globe.
